Notes:

- @ The collaboration with various Peacekeeping Training Centres across the globe; as well as the diplomatic relationship with various countries is accruing benefits in attracting handsome numbers of participants. So far 92 participants from 22 countries have done courses within a span of four and half years.**
- UNMOC, UNSOC and UNPoCC have been certified by the UNITS. This is unique distinction which very few Peacekeeping Training Centres across the globe have achieved.**
- A case shall be taken up with UNITS through MO Dte for re-certification of UNMOC (each certification is valid for three years duration) this year, besides offering UNSMLC and UNTTTC for fresh certification.**

2. In addition to the above, following professional activities shall take place:-
