PRESIDENT'S MEDAL FOR TECHNOLOGY-2017

The Ministry of Science and Technology, Government of Pakistan invites nominations for the President's Medal for Technology for the year 2017. President's Medal for Technology falls under the category of Civil Award processed by Ministry of Science and Technology and conferrable upon Pakistani scientists and technologists involved in applied research/R&D activities, technological inventions and innovations in disciplines relating to natural sciences, technology and engineering at national R&D institutions. The number of medals to be awarded is five (05) in a year. Each medal winner will also be entitled to a certificate signed by the President of Pakistan and a cash grant of one hundred thousand rupees (Rs.100, 000/-).

Interested scientists/technologists/researchers may send their nominations through their respective employer(s) to this Ministry by **31st December, 2017** as per prescribed Form and Quantified Criteria available on second page. Applications received after the above mentioned deadline would not be accepted/considered for the award.

President's Medal for Technology

YEAR :	
--------	--

NOMINATION FORM

(Read the Information before completing the form. This form should be typed or printed. Use a separate form for each nomination. Photocopy of this form is allowed. **ALL NOMINATION FORMS AND ENCLOSURES SHOULD BE SUBMITTED IN TRIPLICATE.**

Particulars of Nominating Institution :

Name of Institution :

Name of Authorized Representative
(Title/
Present Position) :

Address :

Telephone : _____ Fax : _____

Email (if any) : _____

I hereby nominate _____ as candidate for the President's Medal for Technology.

**Authorized Signature
& office stamp**

Date

Particulars of Nominee/Candidate :

Full Name : _____

PHOTO
(compulsory)

Date of Birth : _____ Age : _____

Place of Birth : _____

Identity Card No : _____

Nationality : _____ Sex : Male _____ Female _____

Academic/Professional
Qualification (full details) :

Present Position/
Occupation :

Official/
Correspondence Address :

Tel : _____ Fax : _____

Home Address :

Tel : _____ Fax : _____

Email (if any) :

Signature of Nominee/Candidate

Date

Field(s) of Specialization :

Basis of Nomination (Statement of Achievements – not more than 300 words)

Please state previous awards won by you, if any :

Title of Award : _____
Year : _____
Awarding Body : _____
Amount : Rs. _____

Title of Award : _____
Year : _____
Awarding Body : _____
Amount : Rs. _____

Description of achievements and contributions in science, engineering and/or technology including impact on society if any:

Publications (excluding conferences, seminars, workshops) :

(In the following order: Author, Year, Title of Publication, Title of Journal, Volume Number and Page Number. ISI Impact Factor.) COPIES NOT REQUIRED.

Resume/CV of Nominee/Candidate :

(State all outstanding professional honours and scientific awards, excluding scholarships, research grants, and travel fellowships. Please use additional A4 paper if space is insufficient. Maximum of 4 additional pages only).

CRITERION FOR EVALUATION IN VARIOUS FIELDS

a) SCIENCE, ENGINEERING AND EDUCATION (MAX. MARKS 100)

i. Highest academic qualification in related field

(10 marks)

Degree's Status	Ph.D./ Post Doctoral	M.Phil/MS	Post-Graduation	Graduation
International (10)	10	7	5	2
National (8)	8	5	3	1

Marks obtained

ii. Experience in related field (# of years)

(10 marks)

Organization

(10 marks)

More than 30	25-29	20-24	15-19	10-14	Less than 10
10	9	8	6	4	2

Marks obtained

University

(10 marks)

Vice Chancellor		Dean		Head/Chairman of Department	
More than 5	Less than 5	More than 5	Less than 5	More than 5	Less than 5
10	8	7	5	4	2

Marks obtained

College/School

(8 marks)

Principal		Head of Department		Subject Specialist	
More than 5	Less than 5	More than 10	Less than 10	More than 15	Less than 15
8	7	6	5	3	2

Marks obtained

iii. Innovative idea/product

(30 marks)

Level	International	National	Organizational/Institutional
Marks	30	20	10

Marks obtained

iv. Number of articles published in impact factor journals alongwith number of citations
(# of books published)

(20 marks)

(Each book authored carries weightage of 3 x articles published in impact factor journals – 'W' Category.

Marks obtained

Articles in impact factor journals (category-wise)

(15 marks)

Status of Journal	W	X	Y	Z
International	3 for each	2 for each	1 for each	0.5 for each
National	2 for each	1 for each	0.5 for each	-

Citations

(5 marks)

International Journals	More than 20	15-19	10-14	5-9	Less than 5	-
National Journals	More than 40	30-39	20-29	10-19	5-9	Less than 5
Marks	5	4	3	2	1	0.5

v. Fellow of Professional bodies

(10 marks)

International	National
1 body	2 bodies
5	5

Marks obtained

vi. Number of scholars supervised at Ph.D. and M.Phil/MS levels

(10 marks)

More than 30	21-29	11-20	5-10	Less than 5
10	8	6	4	2

Marks obtained

vii. Number of Awards (having worldwide recognition) conferred at national and international levels

(10 marks)

International level			National level		
3 and above	2	1	6 and above	3-5	Less than 3
